**Greetings and Welcome to Philadelphia Marathon Weekend**

We are happy you chose to visit Philadelphia and participate in the weekend's events. The transportation team will help make your arrival to the start area as seamless as possible. Shuttle buses will be available on both Saturday and Sunday to take you from the hotel to the start area and back again. If you arrive after the last bus has left, you will have to get to the start area on your own. Also remember, you will need to clear security when you get to the race area. **All hotels listed as Route A will meet near the Courtyard Downtown – at corner of 13<sup>th</sup> & Filbert Sts.** Here is a map of the area if you are coming from the other hotels.

**Shuttle Bus Pick-Up Times:**

**Saturday, November 18<sup>th</sup> (Race starts at 7:30AM)**

The first bus will leave the meeting point at 5:30AM. Buses will leave approximately every 10 minutes, or as they fill. The last bus will leave the meeting point at 6:30AM.

Return buses will pick-up at 24<sup>th</sup> Street & Park Towne Place (where you will be dropped off in the morning), beginning at 9:30AM and will run continuously until 3PM. They will drop all runners back at the Courtyard Downtown.

**Sunday, November 19<sup>th</sup> (Race starts at 7AM)**

The first bus will leave the meeting point at 5:00AM. Buses will leave approximately every 10 minutes, or as they fill. The last bus will leave the meeting point at 6:00AM

Return buses will pick-up at 24<sup>th</sup> Street & Park Towne Place (where you will be dropped off in the morning), beginning at 9:30AM and will run continuously until 4PM. They will drop all runners back at the Courtyard Downtown.

**Please remember later shuttles will be more full and you will still need to clear security at the start line.**

If you are looking to meet up with runners from other hotels, the below hotels are the meeting locations:  
**Le Meridien, Double Tree Center City, Softiel, Sheraton University City, Sheraton Society Hill, Wyndham, and Doubletree Airport**
